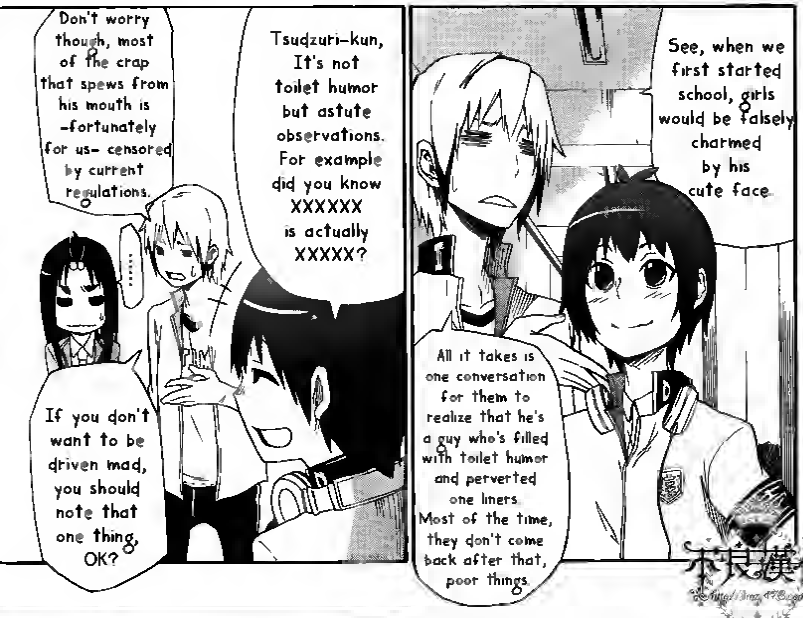
Coming through!
Lunch time
Hey
Susutake, Naitou-kun, I hate to butt in but
AWWW SERIOUSLY MOOOOM?! WHY DO YOUR BENTOUS HAVE TO SUCK SO HARD?!
Between marketing, or lunch, which do you want?
?

My name is Mizuta.
I'd like to be your friends.

A GIRL IS ACTUALLY INTRO-DUCING HERSELF TO ME?!
...A...A ...GIRL?!

All right Naitou -kun...
Yeah.
All right, let's start with introd-uctions
O— okay, sure
無視
I'M BECOMING A STUD?!
Handwritten Ignored
Sfx. Uuoooooohhh
うおおお!
I'VE BEEN AT THIS SCHOOL FOR A YEAR AND A HALF AND THIS IS THE FIRST TIME A GIRL'S TALKED TO ME!!

Our first contact with each other, and it's sexual harassment?!
You're an F-cup right?
This is my buddy Naito-kun.
He's what we like to call an innocent pervert
Naitou-kun
Current status: Pervert.



Don't worry though, most of the crap that spews from his mouth is -fortunately for us- censored by current regulations.
Tsudzuri-kun, It's not toilet humor but astute observations. For example did you know XXXXXX is actually XXXXX?
.....
If you don't want to be driven mad, you should note that one thing, OK?
See, when we first started school, girls would be falsely charmed by his cute face.
All it takes is one conversation for them to realize that he's a guy who's filled with toilet humor and perverted one liners. Most of the time, they don't come back after that, poor things.

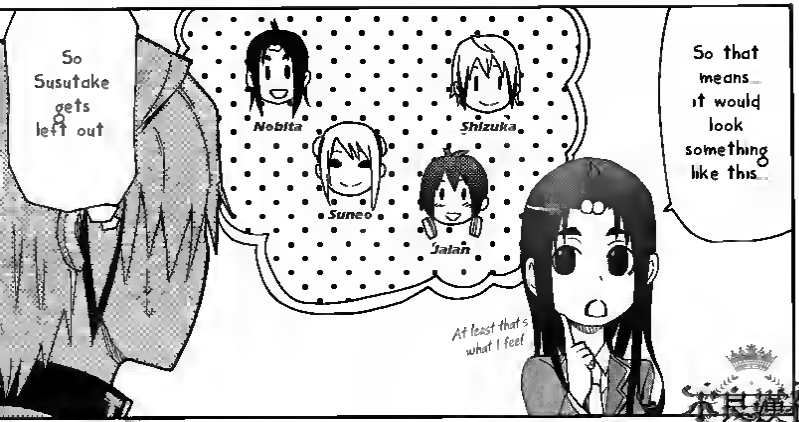
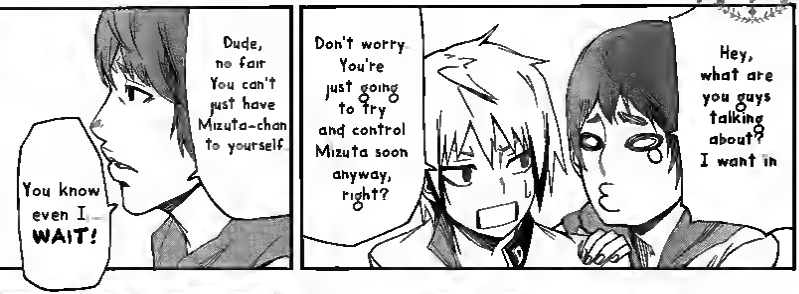
(TN: Probably a reference to Durarara's Shizuka.)

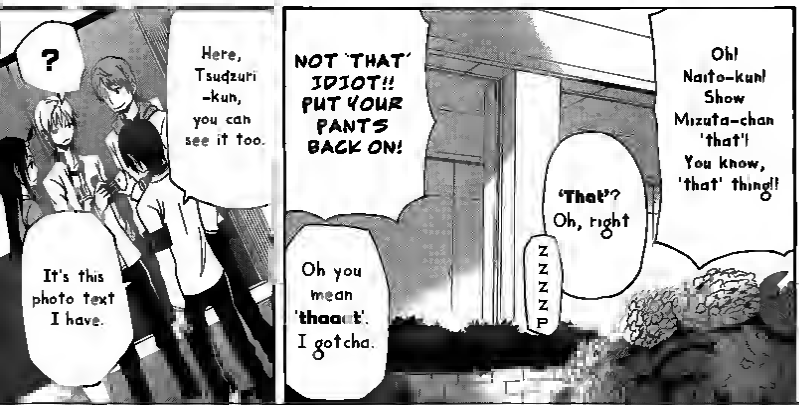
Really? All guys?!
That's absolutely fine!
Even Shizuka-chan had all guys for friends.
Shut the hell up Naitou.
Sorry, but I don't really have any other friends to introduce...
They're all guys too, so it must suck for you.



(TN: Yeah, that confirms it's Doraemon.)



Dude, no fair You can't just have Mizuta-chan to yourself
You know even I... WAIT!
Don't worry You're just going to try and control Mizuta soon anyway, right?
Hey, what are you guys talking about? I want in



?
Here, Tsudzuri -kun, you can see it too.
It's this photo text I have.
NOT 'THAT' IDIOT!! PUT YOUR PANTS BACK ON!
Oh you mean 'thaaat'. I gotcha.
'That'? Oh, right
ZZZZZP
Oh! Naito-kun! Show Mizuta-chan 'that'! You know, 'that' thing!!

This is...
Could it be...

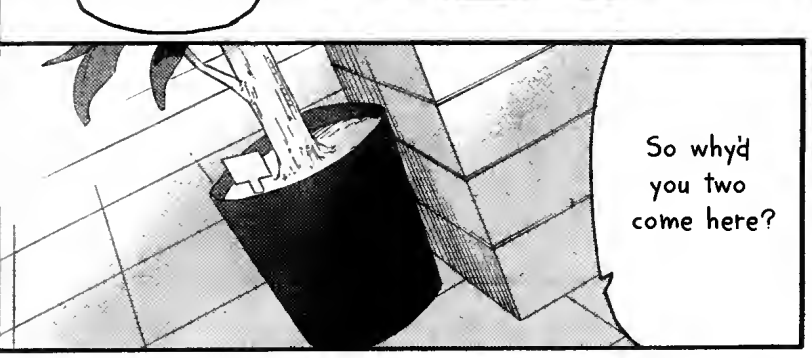
You keep throwing crap at me every day. I'd eventually learn to avoid it wouldn't I?!
I really don't want to work here...



So why'd you two come here?

Oh~
You completely dodged it. Good work.

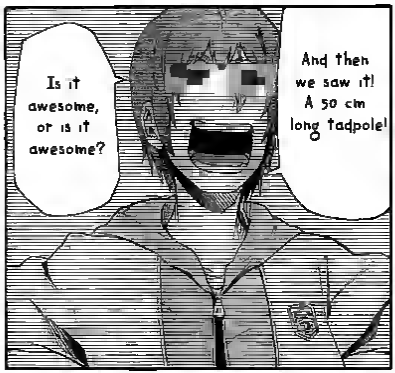
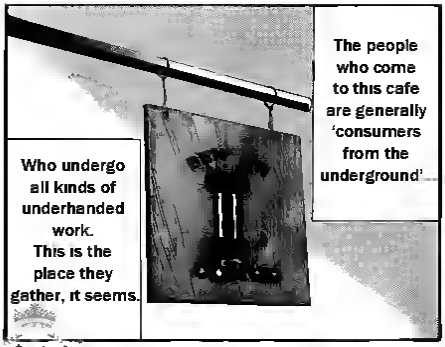
It may be a bit hard to understand
But there seems to be a tadpole in the school's pool
The school's pool?



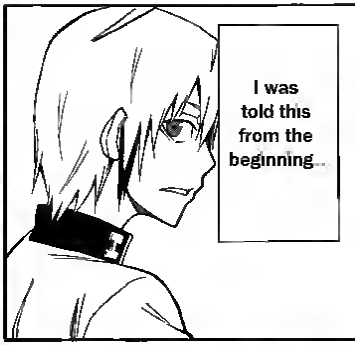
And then we saw it! A 50 cm long tadpole!
Is it awesome, or is it awesome?

There have been rumors that there's a monster in the pool of the school
So the two of us snuck in to have a look one night

It was dark and stuff, but they claim the thing was moving
So my friends ended up taking this picture of it
Without a doubt, this has to be 'Cris' right?
Hm?
Tsudzuri-kun, is it okay to talk about this in the cafe?
Um... about that..
Oh that, nah, it's cool... I mean, no one here is a 'normie' anyway.
ズズッ
Eh?
Then these people are...

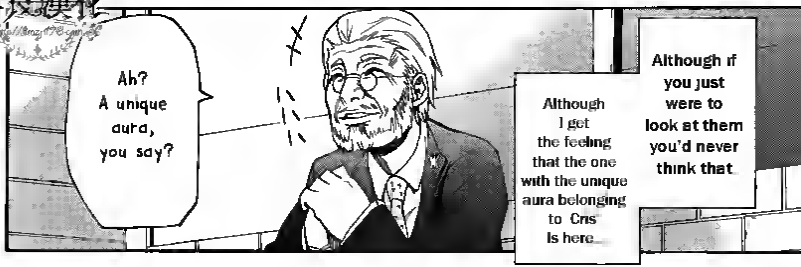


The people who come to this cafe are generally 'consumers from the underground'...
Who undergo all kinds of underhanded work. This is the place they gather, it seems.

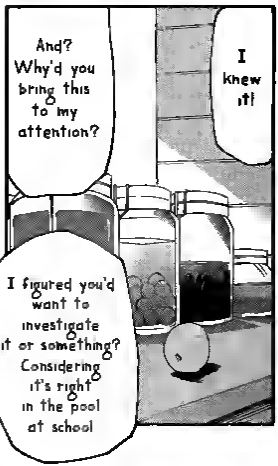


I was told this from the beginning...

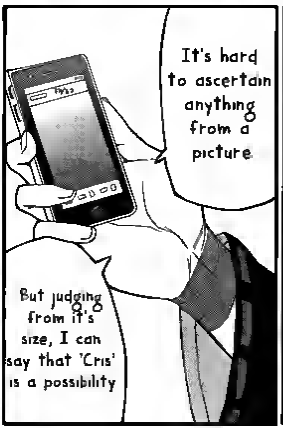
不良搬代



Ah? A unique aura, you say?
Although I get the feeling that the one with the unique aura belonging to Cris is here...
Although if you just were to look at them you'd never think that



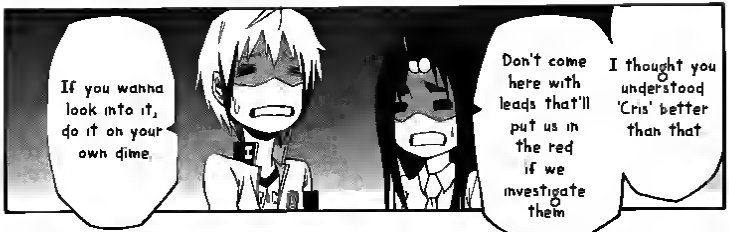
And? Why'd you bring this to my attention?
I knew it!
I figured you'd want to investigate it or something? Considering it's right in the pool at school



It's hard to ascertain anything from a picture
But judging from it's size, I can say that 'Cris' is a possibility

Oh great, he reads minds?

Wha?
Hell no.
No one's going to pay me to investigate something like that.



I thought you understood 'Cris' better than that
Don't come here with leads that'll put us in the red if we investigate them
If you wanna look into it, do it on your own dime.

Why did you lie to them?

It's an experiment
Experiment?
After all, investigating 'Cris' is your job, isn't it?
Are you sure you should be leaving it in the hands of those children?
Enji has been doing work for the underground for about a month now I guess I want to see how he'll fare on his own
There goes your bad habit again...
It's most interesting to consider just how far those kids will go...
Am I right?

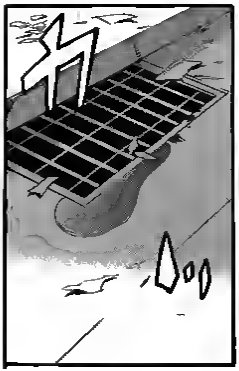
Is this Cris's doing?
It's really quite dirty, isn't it?
A—Are you sure we can do this on our own?
No one uses it until the summer, but I never thought it'd get this bad
Not like we have a choice

禾良模化

Even if Hakuu isn't going to make a move, we have to investigate matters involving Cris.
If something happens it'll spell big trouble for the school.

That's Cris's MO. They act when no one is around.
Even saying that, the school certainly is scary at night.

That's right.



I really hope a ghost doesn't come out or anything like that.
Don't say stuff like that, please.

D—did you hear footsteps just now?
咯咯咯咯
I dunno. And quit that, your chest is rubbing into me.
S—see! There it is again!!
咯咯咯咯
I said stop doing that! My heart is beginning to race!!
Huh?

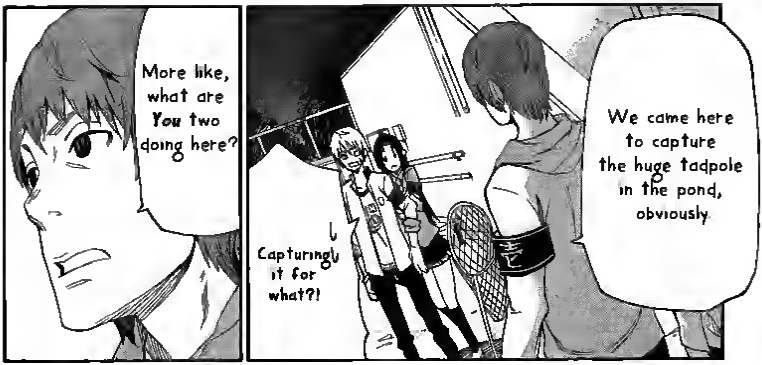
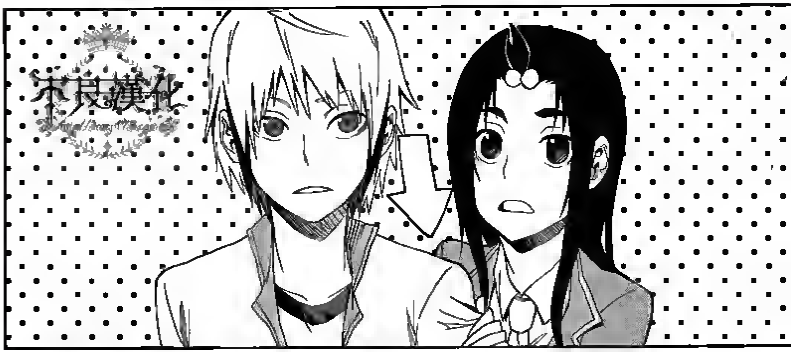
Tsud-zuri?
WHY THE HELL ARE YOU GUYS HERE?!
!!

不良漢化



More like, what are You two doing here?
We came here to capture the huge tadpole in the pond, obviously.
Capturing it for what?!



宋良漢化

Tsudzuri-kun, I don't think it's good that they know we're here.
Yeah. If they find out why we're here it'd be bad news.
I kinda feel bad about doing this to them...

That's good to hear.
But how do we save Naitou-kun and the other guy?
Huh?

Are you okay, Mizuta?!
Yes... it appears that this is only it's drool

SFX: Click
SFX: Gacha Jack

I thought I could just hit it until it faints, but that's not happening.
I feel sorry for this thing it sucks I have to kick it's ass But we need to save those two
How are things on your end, Tsudzuri-kun?!

Please don't say incredibly pathetic things like that!
I WANNA GO HOME.
There's only one thing to say in a situation like this...
But no matter how much I hit the thing, I can't even tell if it feels it, much less if it wants to faint.
I see
Hm?

不良漢化

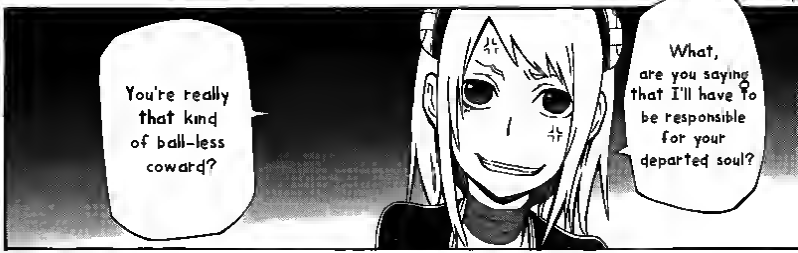
Man, there really isn't any hope for you guys...
To what extent do you belittle friendship?!
I mean...they'll come out the back end of the frog eventually right?
You have to save your friends lives don't you?! Please don't give up!
I wouldn't say I 'came' or anything...
HAKUU-SAN!!
YOU REALLY CAME?!
I felt like I was becoming a Cris myself...
I'm so sorry Hakuu-san I wasn't useful in the least!
WERE YOU WAITING FOR AN INVIT-ATION TO SAVE US?!
Since I was watching from the start!

That's a Chytrid frog...
It's an amphibian that causes a lethal disease known as 'fungal frog sickness'. It's evolved this trait to become rather potent.
At this size, the 'fungal sickness' could be enough to destroy whole species of amphibians For this reason it's considered a 'Cris
Normally it doesn't fear people
But I guess you two got the poor guy riled up and excited
What should we do?
This medicine I have should knock it right out
After that it should be easy to save the two who were eaten
Okay then, use the medicine...
NOPE.

Sfx- Gori grip
Fine... I guess I'll use my strongest weapon.
Wha?
If we don't do something we're in deep crap you know.
After all, Enji should be able to come up with something on his own.
It looks like this is just a single pin...
But in truth it was used by the legendary King Arthur...
It's totally just a pin isn't it?
Che..
You're no fun.
Hakuu-san, please, you have to save them!
うう..
We have to do something while our friends are still alive!
.....
Even if you cry, there's not a lot I can do.
I can give you some advice though...

Ok...
Are you listening, Enji?
.....
Why the heck...
Did you get captured?!
イラッ
AH...
TSUDZURI-KUN?!
YOU HAVE TO SLIP OUT SOMEHOW!! HAKUU-SAN IS GOING TO GIVE US SOME ADVICE...

It's fine... I'm just so tired...
HE'S COMPLETELY GIVEN UP?!



What, are you saying that I'll have to be responsible for your departed soul?
You're really that kind of ball-less coward?

Guh
I can't gather any strength!
At this rate I'm going to be eaten!

Even if you say that kind of crap
I'm already on the tip of this guy's tongue~

Wait ...
Could it be...?

It---
It really ate Tsudzuri -kun!!
No...

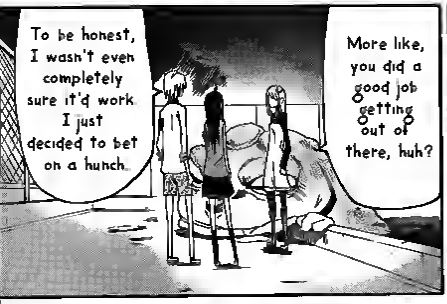
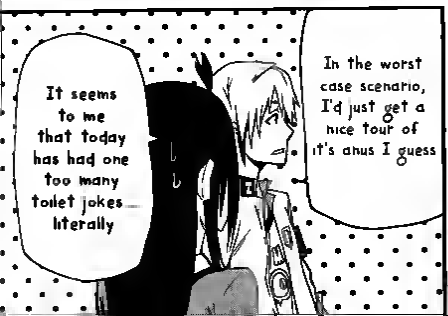
I suppose that makes sense if the outer part of it's body is impervious to damage. Still, he's one reckless kid.
He plans to attack from the inside

U—ugh... nasty...
ちゃぁ

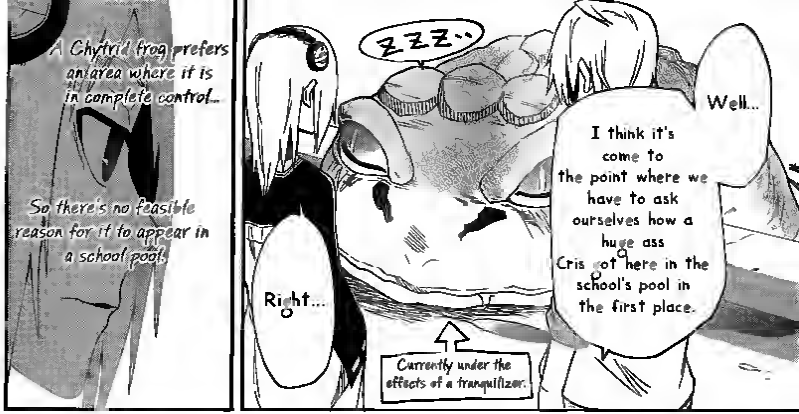


To be honest, I wasn't even completely sure it'd work. I just decided to bet on a hunch.
More like, you did a good job getting out of there, huh?

So wait, you're saying nothing would have happened to my friends?
Well... they might have had issues if they were in there for a whole day... but since they're out now they should be fine.
Thank goodness.



In the worst case scenario, I'd just get a nice tour of it's anus I guess
It seems to me that today has had one too many toilet jokes... literally



A Chytrid frog prefers an area where it is in complete control...
So there's no feasible reason for it to appear in a school pool!
Right...
Zzz...
Currently under the effects of a tranquilizer.
I think it's come to the point where we have to ask ourselves how a huge ass Cris got here in the school's pool in the first place.
Well...
